THE APPEAL, conscious of the in- as grim and frowning as "the Tombe" INFORMED THE PRESIDENT unite detriment to the South, and or the castle of "Giant Despair." I of the fact of such an organization exespecially to Mississippi, to result from any misstatement of facts incident to any of them, however, as a place of the recent unfortunate affair in Pontate with the recent unfortunate with the recent unfortunate affair in Pontate with the recent unfortunate with the recent unit with totoc, has refrained from giving pub- eabin, especially "if the dobbins was that we cannot successfully proceed

licity to statements that have been out," so easily are we taken with in prosecutions unless witnesses are sent over the country by telegraph, and to the diffusion of which even so- in preference to the more beautiful protected and guaranteed protection after testifying.

We have not looked for any protection called Democratic papers have de- and charming in nature, voted their energies. The statement Albany, the capital of New given by us is taken from the Equal Rights, a paper edited by Flournoy, a devout, crazed, violent Radical, whose excesses of passionate denun- very much, as I thought, after a down is too recent to be forgotten

ciation, like those of Sam Bard, come couple of hours' ride through the principal streets and parts of the city. I was very much disappointed in find-Government would do more toward He loves a row and must live in a ling Governor Hoffman absent from restoring order and peace in tempest. The people of the town of Pontotoc, differing as they do en snass in political opinions and prejudices from Flournoy, have ever been utterly regardless of his wild, incoherent ravings. In fact he has, and probably deserves many personal friends. He is only a little cracked. People living in respect to the county of the county in the second state of the county of the county in the second state of the county of in remote districts of the county anatomical specimens, than I have else- horses were also disguised in white know less of Flournoy's virtues. where seen, The skelton of a mastodon cloth, reaching down to their knees; They read his paper and were sore under the persistent misrepresentations and denunciations to which they were subjected. They assumed the fearful Ku-Klux garb, devised originally to protect pig styes devised originally to protect pig styes.

Contained in one of the rooms is worth a journey of a thousand miles to see. And when this represents an animal twice as large as any known to live on the land this day, how forcibly must one be struck with the remoteness of time or the changes effected since these monsters roamed abroad on mother the property of a thousand miles to see.

LEGAL TENDER.

The Decision of the Suprems Court Reand hen roosts against wandering earth, when he looks on still another bands of negro thieves. They entered specimen in the same collection, being the village at night, and it was assumed that they proposed to terrify or murder Flournoy. Flournoy is inthe upper jaw and skull of a creature, who when standing upright in the full glory of life and animalhood must have been thirty feet in height and feet in Europe—An Immense Misformed of the facts, and he and seven slxty feet in length, on the presump others, strangely enough, attempt to capture thirty ghastly Ku-Klux. that these bones bore the usual proportions of size to the other parts of the skeleton. The full skeleton is about They summon the thirty to surrender. twenty feet long and twelve or thir-

who pursued them. Reflect, too, that this statement of facts emanates from Flournoy, and it is demonstrated that these Ku-Klux were most vilainous cowards, or resolved to do no violent deed.

That there are a few had men in brick and stone arches, all of which That there are a few bad men in every district of the South is no more or less true than that they exist in the or less true than the or less true than that they exist in the or less true than the or less true the or less true than the or less true the North. It is also true of the South as of the North that the grert mass of the people are carnestly anxious, as they recommend an examination by the solid grants blocks, some weight. I would recommend an examination by the without some show of reason in its face of the solid grants blocks, some weight of freedom; but the decision in that case, though questionable, was not without some show of reason in its face.

Paristans to recurr to their domicies of freedom; but the decision in that case, though questionable, was not without some show of reason in its face. are entirely capable, of maintaining committee on the Memphis Masonic vor, and it was undeniably professed this fact when Flourney and his friend the Chancellor boldly de-

manded the surrender of the dreadfu!

Elliott, is the regular Tuesday White river mail packet. She will be in port this morning to receive. Ed. Postat, Ar-thur Fields and Dan Sullivan are her entlemanty clerks. N. E. Hawthorn, formerly watchman on the tug Bigier, accidentally shot him-self in the leg while hunting in Arksnass, and died on the 4th from the effects of the

vias.

NEW YORK, May 21.—Mr. Pio
Echevique, a wealthy merchant from
Lima, Peru, was robbed yesterday, at
the Fifth Avenue Hotel, of \$2000 in the Fifth Avenue Hotel, of \$2000 in gold, and diamonds and jewelry valued at \$6000.

Divers have at last succeeded in reaching the treasure of the English ship Hussar, which sunk in Eastriver during the revolutionary war, with \$5,800,000 specie on board.

A pigeon shooting match, for the champion badge and \$1000, between Ira A. Payne and Captain Bogardus, of Illinois, will take place on Tuesday, at Flatwood Park.

differs considerable from the statement of Mr. Pells, pilot of the Potomac. We republish the statement of Alf. Smith, of the St. Francis, which is as follows: When within eight hundred yards distance, the Potomac abunded the steam whistle once, which is the signal to keep to the right, which was immediately answered by the St. Francis by one blast also. As they neared, the Potomac beautiful to the right, which was immediately answered by the St. Francis by one blast also. As they neared, the Potomac for the opecation which was immediately answered by the St. Francis by one blast also. As they neared, the Potomac for the right, which was immediately answered by the St. Francis by one blast also. As they neared, the Potomac for the right hundred yards distance, the Potomac sounded the steam whistle once, which is the signal to keep to the right, which was immediately answered by the St. Francis by one blast also. As they neared, the Potomac for the Potomac steam whistle once, which is as follows:

A pigeon shooting match, for the champion badge and \$1000, between the right hundred yards distance, the Potomac abunded the steam whistle once, which is the signal to keep to the right, which was immediately answered by the St. Francis by one blast also. As they neared, the Potomac blows:

A pigeon shooting match, for the champion badge and \$1000, between the right hundred yards distance, the Potomac accounted the steam whistle once, which is as follows:

When within eight hundred yards distance, the Potomac between the right hundred yards distance, the Potomac between the right hundred yards distance, the Po

Terrible Fire in the Highlands.

POUGHKEEPSIE, May 21.—The forests in several places in the highlands on the Hudson are on fire and the flames illuminate the sky at night.

"turns the wheel"on the Francis was not to be caught napping, for he saw that a collission was imminent and preferred to keep on the first side selected; for the descending stoamer (according to the law governing plots) always has choice of sides; and by insisting on his right, he thereby descend his akirts of responsibility of the Versaillists Successes.—Desperate
Struggles of the Communists.

London, May 21, a.m.—Dispatches from Versailles say three formidable breaching batteries mounted on the slope of Mont Valerien have opened fire on the ramparts of the Auteuit Quartier. The Government troops are all ready to storm the city. A vio-FOREIGN DISPATCHES away her guards nearly back to the wheel-

Spala—its Army.

Madrip, May 20.—The government will propose in its next budget that the effective force of the army be fixed at 80,000 men.

Portugal,

Luccov May 20.—Discensions have the construction in the liveliest kind of manner. After the collision, and the Potomac had backed out, the mate called on the Potomac to come "alongaide;" as, for aught be knew, the Francis might be in a sinking condition. But, by some mismanagement, the Potomac came shead again and ran into
